## PRINCIPAL'S MESSAGE

During the past month, teachers and students have been working hard and getting settled into classrooms. We have raised money for cancer research during the Terry Fox run, parents have met with teachers through telephone or zoom conferences and we all have begun to make new friends. Looking forward, we have many exciting events on the horizon. Please keep updated through our newsletters and calendars posted on the school website <https://eb.deltasd.bc.ca/>

## TERRY FOX DONATIONS

In Terry's words "*It's got to keep going without me*" - students at English Bluff, along with so many others, continue to make it happen.

Thank you to all our families for their continued support every year for this very important cause. A cheque in the amount of **\$366.70** was mailed to the Terry Fox Foundation on behalf of the students at English Bluff.

## PROFESSIONAL DEVELOPMENT DAY OCTOBER 23<sup>rd</sup>

## FLU SEASON

What is influenza? Influenza (commonly known as "the flu") is a serious respiratory infection that is caused by the influenza virus. The "flu" is spread easily through coughing, sneezing or by touching something with a flu virus (objects like unwashed hands, toys and eating utensils) and then touching their nose or mouth.

The flu can be prevented by getting the flu vaccine every year and by practicing good hand washing.

Sincerely,  
*M. Smith*  
Principal.
