October Events

It has been great to connect with so many of you over the past month. We also look forward to meeting with you on either **October 9th** or **10th** for **Parent Teacher Conferences** (early dismissal at 2:00 on both days). If you have not yet signed up for a time to meet with your child's teacher, please do so through Parent Connect.

October 5th is **World Teacher's Day!** The best thing you can do is say 'Thanks' to a teacher who is having or has had an impact on your life. Our PAC has organized **PASS soccer** to join us from **Oct. 7-11**.

We are going to the **Richmond Oval!** Our PAC has generously planned 2 days for our students to go to the Oval. On **Oct. 15**, our **Intermediate classes** will be heading out followed by our **Primary grades**, on **Oct. 22**. We will require drivers and supervisors for these excursions. Once there, students will participate in 3 experiences: skating, the museum and court activities. Please send your child with running shoes, a helmet & skates, if you have them. Primary students will also need a car seat.

On Oct. 31 we invite you to bring in a literary-themed pumpkin (maybe your favourite book character) for our spooky story walk. This is

Things to Check Out

Happy Rosh Hashanah, to those who celebrate!

along with our costume parade where students may dress up in the afternoon. Parents, you are welcome to join us outside as we parade in costume at 1:30. No scary masks or imitation weapons please!

Cross Country Running Club

On Thursday mornings, at 8:00, students in grades 2-7 are out running. We will be participating in a Cross-Country Club Meet at Sunshine Hills on **Oct. 16th** after school. Please make sure your consent forms are handed in.

Emergency Prep Month

Next week is **Fire Safety & Awareness** week. **On October 17th**, our students will participate in "Shake Out BC". During this earthquake drill, students will be taught & reminded that in the event of an earthquake, the best way to keep themselves safe would be to "Duck, Cover, Hold".

Driving to School?

If you drive your child to school, we ask that only our Primary Students are dropped off at the front of the school. If students require assistance getting in and out of the car, please park the car and support them this way rather than stopping in the round-about.

School Goals:

Our School Goal this year is to foster a culture of mindful, self-regulation. By establishing consistent routines (entering school on time and in a calm manner) and teaching mindful lessons we hope to better identify 'Big Emotions' to be more regulated & ready to learn. Our Staff ProD on Sept. 20th was focused on this goal. We will be sharing information regarding this with you throughout the year.

Staying Healthy & Safe

Please continue to observe a **Daily Health Check** and always stay at home if you are feeling unwell.
