## Caring in November

Each month we are focusing on an IB Learner Profile. On the First Monday of the month, we hosted an assembly in the gym to highlight this profile. This month is **Caring month** and we've asked students; how can we show care towards each other and ourselves? Did you know **November 13<sup>th</sup> is World Kindness Day!!**

Thank you for those that were able to attend our **Remembrance Day Assembly**. We gathered together to honour Canadian heroes and pay tribute to those that serve in the Canadian armed forces. To understand the price of freedom, we need to consider the stories of Canadians who made significant sacrifices during times of war, military conflict and peace. We honour, admire & appreciate the acts of bravery of our fallen soldiers and veterans in hopes that our next generations are the many faces of freedom.

## November Events

Just a reminder that the **Library is open to all on Tuesday & Thursday mornings at 8:30am**. Ms. Wells is preparing for the **Scholastic Book Fair** on Nov. 25 to 28 (details to follow). On Wednesdays, Ms. Wells is hosting a Stop-Motion club at 12:20. On Fridays, Ms. Gallacher & Ms. Collier are hosting an Art Club for grades 3+ at 12:20. Also, a huge

### Things to Check Out

**Our School Website** - Find out more:

<https://eb.deltasd.bc.ca/>

**For current updates on what's going on at school**

**\*\*Have you paid your IB Fees? \*\***

### PAC

**To order Hot Lunch:** (every 2<sup>nd</sup> week)

<https://englishbluff.hotlunches.net/admin/>

Contact the PAC: [chair.ebpac@gmail.com](mailto:chair.ebpac@gmail.com)

The next PAC meeting is **Nov. 25 at 6:00**

## Numeracy Goal

As a staff, we have set our school goal this year to focus on numeracy. Our Numeracy Inquiry question is: *How will a concentrated focus on building fact fluency with students improve their proficiency at math and shift their perception of numeracy?*

**Other questions we have that could also be explored at home:**

- How does math help us make sense of the world around us?
- How will using practical numeracy skills help us to solve everyday problems?
- How do we engage in meaningful and enjoyable math?

'Thank You' to Ms. Schulz, Ms. Bonner & Ms. Mcdougall for coaching our grade 6 & 7 volleyball teams.

On November 17, 18 & 19 we welcome **Rocks & Rings** into our school to teach our students about curling. Thank you to our PAC for generously offering to fund this program.

## Mark your Calendars

While the Holiday season is still a month away, we know our calendars fill up quickly. **Our Holiday Concert will be on December 11<sup>th</sup>**. We will have a matinee show at 1:15pm and an evening show at 6:30. Due to capacity regulations, we are limited as to the number of family members that attend each show. We will be sending out more information on this in the next few weeks. Our Spirit Club has been planning for a few special days in December – stay tuned.

Our staff have decided to take a pause on hosting the pancake breakfast in December. Instead, we have plans to host a morning event in February to coincide with the opening of the Olympic Games. However, we would like to **invite families to join us before school, on December 16<sup>th</sup> for a family holiday sing-along in the gym!**

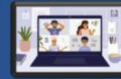

## Family Info

Take a look at Family Smart events, hosted in-person and online: <https://familysmart.ca/monthly-events/> These sessions provide opportunities to discuss the balancing act of parenting, from questions about ADHD, to substance use, to emotional regulation.

### Immunizations – HPV and more: Information and Q&A with a Medical Health Officer

Weds. November 12, 2025  
7:00 PM – 8:00 PM  
Online (on TEAMS)

**What You'll Learn:**

- ✓ How immunizations work
- ✓ HPV vaccine's role in cancer prevention
- ✓ What to expect on school immunization day
- ✓ Tips for families new to B.C.
- ✓ Answers to your questions about vaccines from a medical health officer and public health nurse

**Who Should Attend:**  
Adults supporting students in grades 6 to 12 in Fraser Health

School immunization clinics are starting. Join this session with Dr. Maulik Baxi to take some of the myth and mystery out of immunization.
