Earth Month

April is **Earth Month!**

We are promoting walking or biking to school, as well as being conscientious of the resources we use. If you bike to school, students should always be wearing a helmet but not be riding ebikes.

April 20 to 24 is bike to school week!

Many divisions have been out planting and our **Garden Club** have prepped the garden beds. If you have any soil to donate, please let us know!

Our Community

April is **Sikh Heritage Month**, and an opportunity to learn more about the many significant contributions of Sikh Canadians. To find out more:

Happy Vaisakhi, to those who celebrate!

April is also **World Autism Awareness Month**. To better understand:

A **HUGE Thank You** to Leah Chapman for organizing the Read-a-Thon! The total funds raised for the PAC: \$2278.05. Congratulations Faith who raised \$1,229.05. Frida, Murphy, Fox & Kelly were also our top readers and Division 8 had the highest student participation.

Congratulations to the **Royal Reading Goats** who will be representing EB at the District **Reading Link Challenge** event, this week at Pebble Hill.

Track & Field

Track & Field has begun at EB. Our **Thursday morning**

Run Club will support students to build their running stamina. Students should have athletic footwear daily, as track is the focus for PE this term. These students will all have an opportunity to participate in the **Regional Track Meet on May 4th at DSS**.

School Spirit at EB

Ms. Danielle, our Child Youth Care Worker has been collaborating with the Peer Squad on Tuesdays & Thursdays as they bring the “FUN Wagon” outside at lunch.

Wear your school spirit wear on Fridays!

Divisions 3 & 4 shared their Heritage Fair projects with us last week – such knowledgeable learners!

Young Actors Project

Thanks to our PAC, the Young Actors Project is coming to EB! These drama workshops will begin at the end of the month to the end of May.

Through drama games, mini scenes and improvisation the workshops develop skills of expression, communication and cooperation. Students exercise their imaginations in new and exciting ways, as well as develop the confidence to creatively express themselves in front of each other - all skills they can put to use as confident, IB Learners!

Having Hard Conversations

Recently, Delta School District’s Justice and Equity Consultant, Destine Lord engaged parents in a session on having difficult conversations. When concerns arise, please pause, assume positive intent, and communicate kindly and privately. We know hard conversations can feel uncomfortable, but keeping communication respectful will help resolve issues and model behavior we want students to learn.

Student Led Conferences

On April 15th, we invite parents into the school to experience IB, inquiry-based learning with their children. This is an opportunity for your children to guide you through their day and share with you their many accomplishments. It is also an opportunity for you to learn more about what the IB PYP looks like at EB. Please sign up for a time on Parent Connect. April 16th is an alternate day to connect with Teachers. **Early dismissal is at 2:00 each day.**

Fruit & Veggies

Through the Odd Bunch, schools have the opportunity to have fresh produce delivered weekly through District Feeding Futures Funding. Ms. Danielle orders food weekly and so far, kids are loving the option to grab a healthy snack.
